Welcome to our  
**2025 Annual Production Sale**

We want to welcome everyone to our 37th Annual Production Sale on February 15, 2025 at 1 p.m. here at the Rees Brothers Herefords/Angus Ranch in Morgan, Utah.

We sincerely appreciate our customers over the years that have supported our program and helped make it what it is today. Our goal is to continue to offer the quality and guarantee that will bring you back as a satisfied repeat customer year after year.

Here at Rees Brothers, we believe that these bulls will hold up in any environment while maintaining soundness and fertility. Our cattle summer from 5,000 to 9,000 ft. in elevation and never any creep feeding.

We have sought after and purchased some of the most up to date genetics that the industry has to offer. We hope that the quality, affordability, and guarantee will exceed your expectations.

Bulls are available for viewing here at the ranch at any time prior to the sale. Additional information and videos will be available prior to the sale and can be viewed at [Reescattle.com](http://Reescattle.com).

If you cannot make it to the sale but would like to purchase an animal an online bidding service will be offered through LiveAg at [live-ag.com](http://live-ag.com).

Thank you,  
**Rees Brothers**

## SALE INFORMATION

### Terms and Conditions

Cash unless other arrangements have been made. Each animal will be sold to the highest bidder. The auctioneer shall settle any dispute as to bids. No cattle will be released until after settlement has been made. The responsibility for liability is transferred to the buyer upon payment. The utmost care will be given to all animals until delivery, but delivery itself will be at the risk of the buyer.

### Absentee Bids

If for any reason you are unable to attend this sale and would like to bid on any of the lots, please visit [live-ag.com](http://live-ag.com). Contact Jake Rees at 801-668-8613 with any questions.

### Health

Every animal in the sale is, to the best of our knowledge and preparation, free from any disease or defect and can be transported across any state line. All sale cattle have been vaccinated with an 8-way Clostridial vaccine and 4-way Respiratory. All bulls have passed a breeding soundness exam including a negative trichomoniasis test.

### Guarantee

Any problems with the animal should be brought to our attention within 11 months of purchase. We do not insure death loss of the animal. After purchasing and taking possession of the animal it is the buyers responsibility to insure said animal in case of death loss. All guarantees apply to reasonable use and conditions where we as breeders are responsible for the failure of the animal in question. A full money back guarantee will be given. Buyer can choose either a credit at the following sale or, when possible, a replacement of an animal with one of equal value.

### Registration

All cattle are registered and can be transferred to the buyer at the seller's expense, black baldies excluded.

### Announcements

All announcements from the auction block will take precedence over any printed material in this catalog or any and all other supplements.

### Delivery

Free delivery up to 150 miles on a \$3,500 purchase. Bulls picked up within a week of purchase will receive \$60/head off the purchase price. 5% discount on purchases of 5 bulls or more.

### Liability

All persons attending this sale do so at their own risk. Rees Bros. assumes no responsibility for injury or accident.

This bull was our pick from Churchill's program in 2022. His genetics are a unique outcross for most Hereford breeders. He is big bodied and thick down his top. He weaned off his momma at 863 lb. His maternal side is also a solid foundation of some very powerful females. Lots of maternal and lots of carcass in this bull.

A home raised Spot On son out of a top cow raised here at Rees Brothers Ranch. Big hiped and deep flanked. This calf was a standout since birth with the top weaning index of the 2022 calf crop. His dam has a perfect udder still at age 13 and is a donor cow in our program. She has weaning index of 109 on 11 calves.

- Purchased from Upstream Ranch. This bull is long and deep bodied. This fully pigmented bull has passed his pigment onto his progeny with big carcass numbers. His impressive spread on his EPD profile make him an attractive option to use. The performance on this bull is impressive with a set of numbers to back him up. He has proven to be a great heifer bull, and he has sons that will do the same.
